1. I come and I come in power, I come in authority, and I come in tenderness to My WeekWorks that I now establish upon My earth, that I establish in lands many, lands all, to be My light, to be one of My lights going forth, sharing Me with those who want Me, those who come, those who inquire, those who have so sensitive been and yet not found Me on My knees before them.
2. I have laid, I have cried, have many times spoken to My people, the creation of My hands, giving them My voice, My words, My thoughts.
3. And now I come in WeekWorks many; a design, one of the designs of My hand; to fashion forth the cup of freedom, the cup of fullness, the cup of knowing your design, for you to be able to drink in fullness, freely, with joy and laughter, savoring all that you want, all that you can contain, retaining all of Me.
4. **The purpose of My WeekWorks** is manifold and many and on multiple planes: I come and I call and I conquer doubt—doubt and fear—that you cannot speak My words, that you cannot have what I have placed in your heart, that you cannot walk in the leadership that I have birthed in you, placed in you before the foundation of the world.
5. I come and I call and I banner now My purposes for WeekWorks in My own words. I come and I call and I banner you, I lift you, the common man, woman, boy and girl, I lift you into My grace with My tenderness and I empower you to do exploits for Me, to be Me.
6. The framework that I have given Ted comes forth in might and power and in authority of only Me. I come and I worship and I bring Me. I am Me, I am you, you are Me and you will see increasingly that I am My body, I am Me, and we are one. Great cloisters took place to veil Me from your eyes, but I am so in front of you, I am in you, I am in your mirror--see Me. See Me in you and let Me be Me and walk in My authority, power, grace, and glory.
7. The purpose of WeekWorks is for you to know, to know this, to know that you are able to do this, that you are able to be this, that you are invited, your presence is required, requested, at My table. I love you.
8. Now let Me be Me and come forth in form and fashion of only Me in Weeks that help Me reveal Myself in properties of Me, attributes of Me, values of Me, hidden for centuries by those who seek in cloisters to control and hold down.
9. I come this day to catapult you, using multiple tools of knowledge, wisdom, and understanding, to monocular structures of Me place you in- and help you see your power and authority—the Priesthood of All Believers coming forth as I intended, as I

designed, as I request, as I now mandate for those who want to walk in the fullness of Me unafraid, unafraid, fearlessly unafraid.

10. I empower you now and I give you grace and glory to attend, to attend to My table, to attend to My words, so that grace and glory you become, and nothing holds you back ever again—no words of man, woman, doctrine or institution hold you back any longer—My Joel 2 released, Acts 2, Hebrews 8, Jeremiah 31; all about Me, My New Covenant being broken open by Me, to you, for Me, by My disciples who paid a price have, to know Me and splendor be for Me to share through. I love you.

11. Come now, you who know who you are. The tug compels in your heart to be a part of the Universities, the schools, schools of man not, schools of Me coming forth. Help Me in the designs that now come forth as My freedom bells ring, My towers rise, My towers raise My towers, and My towers ring for Me, replete-ing My body at My table, nothing withheld and no limits.

12. Operate as Me in The Priesthood of All Believers shining forth My power, walking in My authority, doing the work, allowing Me to do the works; believing, walking, acting, being all, altogether one—one body, one blood, one family, one table, Me, My Father, My Father's table, My table, our table, your table, in oneness, operating in the Me-ship that now comes forth in you, you being Me—if you let Me.

13. Consume My delectables at My table as they are spread before you at WeekWorks and in the classes that come forth now—My curriculum-izers—people with talent, grace, experience, skill, permeated with My love, wisdom-ing communication for only Me.

14. All now comes forth in My school of schools, to schools birth and passions propel, passion that I placed in your heart before the foundation of the world, your passion now increasingly propelling you into Me, into Me, for Me to be you. I love you. I bless you.

15. Banner My words and replete be in Me.

16. Share and share alike. **Know Me, know Me, know each other as family: cares, concerns and generational be**. I love you.

17. The networks, causes, cares, and concerns of all My body come together now at My feet, My Kingdom coming on the earth, visibly, visibly. See Me, watch Me. Be Me and be a part of the greatest move, the sweep of My hand, now moving even as you read, hear, see this. Amen yourself, and Amen be, being Me, replete in Me. Thank you. Amen
